OLD BUSINESS: Business Cards

If anyone wants Met business cards, contact Lynn. She needs to know exactly what is required on the cards before she can place an order.

Communications with MOCNA

There are still issues in not getting communications with MOCNA (membership cards). Lynn also received a notice that MOCNA dues were past due. She has kept records of when our payments were sent and MOCNA did cash our check. If anyone also received past due renewal notices, please contact Lynn Schulte and she will get it corrected as it appears to be an error in MOCNA's book keeping.
